

Welcome to Press Kitchen!

We are focused on providing a selection of world class wines at very low prices to provide an additional value to our members. The list will continuously evolve: if you have a favorite varietal that you would like to see us add, let us know!

We have 8 red wines available daily in our wine system and have several whites on ice. Kindly ask Melissa for information on which wines are available. When we finish one bottle, we will put in a different bottle - if you have a preference, let us know what you would like so that we can do our best to accommodate you!
