GF CLASS DESCRIPTIONS

ATHLETEzone!

Designed for the advanced participant in that all forms of movement, strength training and cardiovascular training are explored in a circuit setting. Five exercises are given in the round- Each exercise is completed for 1 minute before having 10 seconds to move to the next station. Once two full rounds are completed you experience a recovery section where 5 new exercises are introduced for a second block of two rotations of the same interval, take another recovery while your 3rd and last block is introduced. Advanced levels only.

Body Formula

Developed by fitness presenter Marcelo Ehrhardt, BODYformula has evolved into a full body training system where simple to more complex exercises are explored using dumbbells, Body Bars, Medicine Balls and Step Platforms. Bursts of cardio appear within the frame of the class where the focus will be to push to an uncomfortable zone (anaerobic). Standing for nearly 3 quarters of the class, you finish class with multiple full body exercises that include core isometric work with dynamic stretching. All levels welcome.

JustDANCE!

Sweat with combinations of Jazz, Latin, African dance & Funk. Learn easy to follow routines that will burn calories and boost your dance skills like never before. All levels welcome.

simple 2 compound

A complete body conditioning class that starts with simple individual exercises that fuse into upper and lower body compound movements. A series of plank core training exercises will also be introduced. All levels welcome.

triDECAfect

This class, developed by Marcelo Ehrhardt, will introduce 10 exercises intentionally placed in a sequence to maximize body training results, each of these exercises runs a 1 minute interval with no rest in between. Complete the first 10 and rest 1 minute. Work either supine or prone isometric core work for 1 minute to 2 minutes- that's the end of block one- complete the same block three times through and you have your triDECAfect. Not for the very beginner but modifications allow for all demographics, limitations and skills to participate.

TECH-lower

Technical Lower Body Training developed by Marcelo Ehrhardt targeting all muscle groups that make up the "LOWER" section of the torso with technical set up and cues. This class is a seamless 30-minutes of slow and low repetition with heavy weights; or fast/high repetition or dynamic movements using lighter weights or your own body weight; exploration of anaerobic and aerobic training to maximize results. All participants of all demographics and levels are encouraged to attend as there is strong emphasis on progression.

Six-Pack Skip and RIPPED

Six Pack Skip is a 30minute HITT it and QUIT IT class that is cardio and core focused metabolic blast designed for maximum caloric ROI. Agility based circuits featuring rope jumping cardio paired with dynamic core movements will take your coordination, strength and balance to new heights. Get ready to skip into summer with 6-pack. **RIPPED** is also 30 minutes total body blast of circuits of body loaded movement, agility based cardio using jump ropes and high intensity metabolic finishers will shred calories and torch body fat. Get ready to get ripped!

FUERZAKickboxing

this class is a fusion of American kickboxing and karate that is technical, fun and easy to follow. This system introduces techniques that include the jab, the cross, the hook and the upper cut along with the front push, back push and roundhouse. Fast punching and Isometric Chambers are included as anaerobic segments to the training system. Participants are encouraged to have intermediate to advanced cardiovascular endurance but can have beginner to advanced kickboxing experience.

BODY sculpt

A full body workout using weights, body bars, medicine balls and more. This is going back to the basics type of training. This class is open to all levels and demographics. Great for participants looking to just lift and work on strength and endurance. Simple to compound exercises will be explored.

Tabata Fusion

An hour long class that focuses on interval training. A fusion of cardio and strength exercises that you complete as fast as you can in 20 seconds, then rest 10 seconds. This is done a total of 8 times through. It is a challenging workout but since you are able to do this at your own pace within the 20 seconds interval it is a class that is friendly to all levels.

strengthPLUS

Strength plus just enough cardio to get the metabolism humming. This class uses timed intervals so that participants can work out at their own pace. Each session will combine compound exercises, core drills and sports drills to challenge every fitness level by focusing on increasing strength, endurance, balance and agility, thus creating the ability to progress from a very basic exercise (a squat) to a complex exercise (burpee). This class is exceptional for those who are new to exercise, recovering from an injury or those who just need a good cross training class.

tripleBLOCKtraining

Three blocks of training for the entire body, each block consists of strength training using multiple types of equipment for 4 to 5 minutes, a segment of cardio (1-2 minutes) followed by core work (1-3 minutes). The goal of this class is to get three elements of training within one block, instructors will set the amount of blocks within each class depending on whether the focus will be more cardio, strength or core work. All levels welcome.

BARRE BODY

this is a FULL body toning class inspired by BARRE/DANCE type training but adapted to using A BODY BAR for stabilization, balance and leg work. Resistance training is also incorporated into the formatted class. This class brings new intensity to classic BARRE-inspired exercises. BARRE-body is set to music for a non-stop, fun and energetic workout from warm-up to cool-down class and will include an easy to follow cardio movement burst at the half way point. Class ends on the mat with high rep conditioning work for the lower body and core. All levels welcome.

intervalMELTDOWN

A class exclusive to LSF that focuses solely on interval training. Class is a total of two blocks that range from 15 to 17 minutes and comprised of carefully selected timed intervals using weights (heavy and light) and your own body weight. Take a mini break while putting boxing gloves to begin punching carefully selected intervals on a free standing bag. Participants should have some fitness training or cardiovascular training in order to participate.

FUERZAcontact

A fusion of American Kickboxing and Karate class done on free standing kickboxing bags. Learn techniques and execute three rounds of training set to music. Gloves are provided and experience on the bags is not necessary. All levels welcome

Full Body Architect

This Total Body Resistance Training class is taught by the LSF GF Body Training Team. The team will give you an individualized feel in a group setting while focusing on technical set up and form along with repetition and overload necessary for gaining strength and endurance. Class will also focus on progressing from simple to more complex exercises. All levels are welcome.

META circuit

META circuit is a high intensity class designed for athletes looking to take their fitness to the next level. Using IndoRow water rowers, TRX, Barbells, Slam Balls, and Dumbbells members will test their limits in strength, power, muscle endurance and cardiovascular training. Athletes will be taken through four stations that will couple traditional strength training, metabolic work, and HIIT. Please reserve your spot on the MyLSF app prior to attendance as space is limited to 16 participants

TpowerDASH

this class focuses on high intensity training with TABATA intervals on and off the treadmill. All levels are welcome for this 45 minutes class. Start with a 10 minute warm up around the indoor track that includes dynamic stretching and running drills- Split into two groups and experience Tabata training on the treadmill and Tabata functional strength/endurance training off the treadmill- Complete 3 rounds of selected exercises and running profiles to this 20 seconds on and 10 seconds off training system plus a cool down to wrap up a full calorie burning experience.

TECHcore

his class targets all muscle groups that make up the CORE (abdominals and back) with technical set up and cues. It's a seamless series of isometric work with dynamic movement attached to it done both in supine and prone positions. All you need is your BODY for this short yet challenging class for all levels.

ZUMBA

Join the party! Latin music leads the way in this fun cardio workout through simple choreography.
