

FLEX LEAGUE

10 matches
\$219

Want to participate in a fun and competitive league that offers the flexibility of scheduling matches at your convenience? Our Flex Leagues are a great way to work on your singles game and meet other players at LSF.

How it works:

- Players are divided into groups based on their NTRP rating.
- An email roster and weekly match schedule will be sent out at the beginning of the session, so that players can contact their opponents to schedule each match.
- Players reserve their Flex League court through the Front Desk, and may do so up to one week in advance.
- New balls are provided at the Front Desk with every match.
- 8 game pro sets are played with a one-hour time limit. If time runs out, whoever is ahead in games records the win.
- Score sheets are turned in at the Front Desk after the match.
- Updates with scores and standings are sent out throughout the session.
- Prizes are awarded to the winners in each level.
