BITTY BASKETBALL (3-5 YEARS)

An entry-level class that is intended to provide bitty ballers with foundational skills around hand-eye coordination, ball handling, parts of the court and the value of teamwork. This class is very play based, as we focus on skill development through fun drills and games. **Wednesday from 4-4:45pm or Sunday from 10-10:45am**

YOUTH BASKETBALL (6-9 YEARS)

This program is designed to get you prepared for the next level. Whether your goal is to learn the sport, strength skills or tryout for an upcoming basketball season or AAU team, fundamentals of dribbling, shooting, passing and conditioning will be emphasized in this challenging program. Players will also be introduced to the rules and strategy of the game and better understand spacing on the court. **Wednesday from 4:45-5:45pm or Sunday from 10:45-11:45am**

JUNIOR BASKETBALL (10-13 YEARS)

A continuation of youth basketball, this program will prepare each player for the next level by focusing on the development of ball handling, shooting, passing and conditioning with an emphasis on speed and agility enhancements. Players will also play scrimmages to focus on offense and defense strategy as well as court awareness. **Wednesday from 5:45-6:45pm or Sunday from 11:45-12:45pm**

PRIVATE BASKETBALL TRAINING

Private training can be geared for players who need more individualized attention, have trouble staying on task in group classes or have specific goals to achieve. Private training allows for instructors to personalize goals and objectives specific to the player. Lessons are skill-based, focusing on developing individual skill set (dribbling, shooting, passing, strategy and more), starting at where the player currently is and helping to sharpen and develop skills set to maximize his/her ability on the basketball court. Private trainings do not follow class sessions; however, most maintain a weekly standing time with their instructor. Lessons will be held in the gym.
