JUNIOR BASKETBALL (4th - 8th Grade)

A continuation of youth basketball, this program will prepare each player for the next level by focusing on the development of ball handling, shooting, passing and conditioning with an emphasis on speed and agility enhancements. Players will also play scrimmages to focus on offense and defense strategy as well as court awareness.

PRIVATE BASKETBALL TRAINING

Private training can be geared for players who need more individualized attention, have trouble staying on task in group classes or have specific goals to achieve. Private training allows for instructors to personalize goals and objective specific to the player. Lessons are skill-based, focusing on developing individual skill set (dribbling, shooting, passing, strategy and more), starting at where the player currently is and helping to sharpen and develop skills set to maximize his/her ability on the basketball court. Private trainings do not follow class sessions; however, most maintain a weekly standing time with their instructor. Lessons will be held in the gym.
