

ADULT TENNIS LESSONS

CLASS FORMAT & PLAYER DEVELOPMENT

All group classes are designed and taught by certified tennis professionals. The main focus of our instructional program is to make the learning process easier and fun for everyone. Our progressive coaching approach allows all players to develop a specific stroke, technique, and footwork more efficiently and with success. This progressive coaching approach is based on the following criteria:

Warm-up: It consists of 5-7 mins of players starting on the service line hitting forehands and backhands, focusing on footwork and cooperative rallying (mini-tennis).

Skill Building Drills: Players have the opportunity to practice the same shot in repetition with their tennis professional, focusing on technique and stroke shaping.

Situational Drills/Live Ball Drills: Your tennis professional will create game situations where specific shot/stroke can be used in a real tennis match. These situational drills bring together all elements of tennis (tactics, decision making, problem-solving, technique, psychology, etc).

Play Time: Players will put together what they learned during the lesson in a real match play.

ADULT GROUP TENNIS SESSION

Lakeshore Sport & Fitness offers a wide variety of adult group tennis classes to advanced open level. Players are Program (N.T.R.P.), which places adults into different categories based upon ability and standardizes play for a more enjoyable experience. Grouping by ability allows our LSF instructors to better focus their drills on improving specific skills. Challenging areas will be identified by the instructor and appropriate drills will be utilized to help participants advance their game.
